	\$38,600	\$41,200
tuition and fees	\$32,100	\$34,100
estimated living expenses		
books and supplies	\$500	\$500
rent, utilities, food	\$4,500	\$4,500
personal (clothing, laundry, recreation, phone, transportation, miscellaneous)	\$1,500	\$1,500
health insurance*	\$0	\$600
	\$6,500	\$7,100

* We feel strongly that all students should have excellent health insurance. International students are required to purchase health insurance and are automatically enrolled in the **International Student and Scholar Health Insurance Plan** after they complete mandatory check-in at the International center. Domestic students have the option of purchasing health insurance offered through the University. More information is available here: <https://uhs.umich.edu/healthinsuranceplans>

Expenses not included in this budget: costs for dependents (accompanying spouse, partner, children), travel to and from Ann Arbor, costs associated with having a car (which you don't need in Ann Arbor)

NB: Ann Arbor is, generally, a relatively low cost of living city by U.S. standards, particularly in the summer when demand for housing is low. This budget is based on research undertaken by the Law School's Financial Aid Office and is intended to represent average costs for most students. Individual students may choose to purchase luxury goods and services with the understanding that such costs are in addition to the budgeted figures above.
